Dear Friend,

Now in as little as four months, you can train at home to be a Medical Claims and Billing Specialist. Plus, you can make great money—\$10 to \$20 an hour or even more as your skills improve.

You train at home in your spare time and learn everything you need to know to start working at home. Doctors, hospitals and clinics need Medical Claims Processors and Billing Specialists. And if you'd rather work in an office, there are plenty of exciting jobs in hospitals, medical facilities and insurance companies.

Compare these advantages with any other profession you can train for in such a short time.

What other job can you begin with as little as four months of training at home and earn up to \$40,000 a year as your experience and skills increase? Plus, if you want to work at home you get these extra benefits...

- You can work as much as you want because Medical Billing Specialists work full-time *and* part-time.
- Earn up to \$20 an hour...as much as \$40,000 a year.
- Choose your own hours...morning, afternoon or night.
- You'll be your own boss, pocket all the income.
- No travel to work...save time, save money.
- Be at home when your children need you.
- Save money on child care, office clothes, restaurant lunches, transportation, possible tax breaks and more.
- Unlimited career support after graduation helps you

Enroll now and save money. No interest or finance charges on our low monthly payment plan.

No finance charges ever!

You need no previous medical training! And you don't have to quit your regular job! Study just a few hours a week—go as quickly or as slowly as you wish—get your Certificate in as little as four months, or take longer to finish. It's your choice!

We show you what to do and how to do it. Your course is as easy as A-B-C...everything is spelled out in easy-to-understand, everyday language. You learn what you need to know to apply for an exciting job as a Medical Claims and Billing Specialist.

Employers will know that you "speak their language."

Take this **nationally accredited** course and you will know how to talk to doctors and hospital personnel. You will know how to prepare actual medical claim forms because your training includes hands-on practice sessions. You actually DO the job of a working Medical Billing Specialist. And if you can type—even a little—you'll find it easier than you ever imagined to complete your training in as little as four months.

Work a flexible schedule—full-time or part-time. The choice is yours.

Medical Claims and Billing is a great career with all kinds of advantages. You can work full-time or part-time. So after you get your Certificate, you can keep your present job if you wish. Make extra money doing medical claims processing and billing part-time and build your income as quickly or as slowly as you want.

As your speed increases and you gain confidence, you'll know when you're ready to switch to a full-time schedule. Then you could be on your way to making the kind of money our outstanding graduates earn.

But it's not just the money...

Think of the satisfaction you'll get working with doctors and other medical professionals in a career that really helps people.

And if your dream is to work at home, think how you'll enjoy working the hours you want...being there for your children...saving money on child care, transportation, office clothes and much more.

Healthcare is booming! Americans visit physicians' offices more than 800 million times a year...

And each and every one of those visits requires a skilled

Medical Claims and Billing Specialist to process the medical forms so the doctor can get paid! With numbers like these, it's not surprising that healthcare is an *in-demand* field that is projected to grow at a faster-than-average rate now and well into the future.

We're so sure you'll be able to master this course that we make this ironclad, no-questions-asked, Money-Back Commitment.

Send your small down payment with your enrollment agreement and we'll send you the first lesson package by return mail. Take up to seven full days to inspect it. See how easy it is to follow the lessons.

If, at any time within seven days of receiving your first lessons, you aren't 100% sure you can make good progress and enjoy a rewarding career, just call our toll-free number. Tell us you don't want to be a Medical Claims & Billing Specialist and cancel your enrollment.

You won't owe a single penny more and we'll refund your down payment in full. No questions asked!
