A Certified Personal Fitness Trainer & Nutritional Specialist is in a class all their own...and that's what you'll be when you take this nationally accredited course and graduate from U.S. Career Institute!

*Certified
Fitness & Nutritional
Specialists can earn up to
\$50.00 an hour and more
with experience!*

If you sent for this career package, you probably already know that the field of fitness and nutrition represents a wonderful path to success! Busy professionals in your community need your help to plan their fitness schedules and ensure they get the right diet and exercise. People from all walks of life now understand the need for fitness training and nutritional knowledge—and they're more than willing to pay for your expertise!

Fitness & Nutritional Specialists are important members of the healthcare team, and they are true professionals. They work directly with clients and with other healthcare providers, supplying much-appreciated guidance to help people get and stay fit. As a Certified Fitness & Nutritional Specialist, you'll be respected and appreciated for your knowledge and your care.

There is a high demand for Certified Fitness & Nutritional Specialists because thousands of new fitness centers, sports clubs and therapy centers open each year. Be in shape, be healthy and share your skills and knowledge with others!

No previous healthcare experience needed and no need to quit your present job. You train at home in your spare time!

You can be ready to start your career in as little as four months...or take longer to finish your course if you wish. There are no classes to attend and no need to change your daily schedule. You study when you have the time and when it's convenient. You can start right now because you are in a class of one—you!

Experts guide you step by step.

You learn step by step, from expert instructors with years of experience who show you exactly what to do and how to do it. Your course even includes video demonstrations to help you progress quickly. Nothing is left to chance!

Work at home, set your own hours!

Plenty of opportunity working for others, too...

- Country clubs and spas
- Health clubs, cruise ships and resorts
- Hospitals and physicians' practices
- Sports therapy and rehabilitation centers

These are just a few of the subjects covered in your course:

- Fitness training
- Strength training
- Therapeutic exercise
- Nutrition
- Diet and lifestyle
- Weight loss or gain
- Muscle Anatomy
- Plyometrics

...Plus you get complete step-by-step video instruction, lessons and supplements. You also get our unique "Quick Learn" tutor system to help you learn professional nutrition terminology quickly.

You train at your own pace – as fast or as slow as you wish. It's easy!

- Your first class starts as soon as you are ready. As soon as you enroll, your lessons are mailed to you. Everything is included with your course...all you need is access to a video player.
- Set your own pace...as fast or as slow as you wish. Videos, lessons and supplements are sent as you need them. As you complete each assignment, you send it to your instructor for grading. Then go on to the next lesson—no need to wait for the results of previous exams. And no classes to attend or schedules to keep!
- No time wasted traveling to class or listening to what you already know. You are in a class of one. If you don't understand something, the class doesn't get ahead of you. You just re-read your lessons or if you need special help, send us an email or call us toll-free.
- Your instructors are experts...and they're ready to help you. Your videos, lessons and supplements were written by experts, too, and most of our students have very few questions. But if you do have a question, our expert instructors are on duty year-round to give you the answer you need.

Pam

Help is just a click or a call away...just send us an email or call us toll-free.

Your instructors are as close as your telephone or computer. Just email or call us toll-free with any questions. Our staff of instructors is on duty year-round to provide you with the authoritative answers you need.

- Open-book examinations take the pressure out of testing. We don't try to test you on how much you can remember. We help you learn what you need to know and show you how to find the answers to what you don't know. We believe that open-book exams—just like those many colleges use—are the best way to find out how much you can accomplish in the real world.

*No classes to attend
No schedules to keep*

Men and women love our training because everything they need is included with the course... there is nothing extra to buy.

Flashcards help you with fitness and nutrition terms and pronunciation.

One of the easiest ways to learn many different simple ideas is through repetition. And the flashcards we include with your course make learning definitions and pronunciations more like a game than a study session.

Lessons and text materials cover every subject.

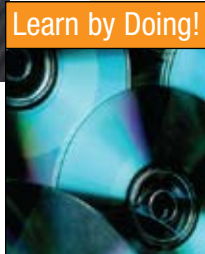

Your text on human anatomy and physiology is one of the easiest-to-understand textbooks ever written on the subject. Your lessons take you step by step so you always feel comfortable with the course material.

Your Certificate is a proud symbol of your achievement.

The Certificate we award you is evidence that you successfully completed your training and are ready to start your career as a Certified Personal Fitness Trainer & Nutritional Specialist. At that time you will be entitled to unlimited career support. That means we will help you with your career whenever you ask!

You get all this — to use in your course and your career!

Special step-by-step video demonstrations.

You get full-length, step-by-step video instruction. These easy-to-understand DVDs allow you to follow our expert instructors as they demonstrate hands-on training, exercises and nutrition information.

U.S. Career Institute in Fort Collins, Colorado, encompasses many thousands of square feet including administrative, curriculum, student counseling and general warehousing departments.

Questions and Answers

- Q. Is fitness & nutrition a new field?**
A. Both fitness training and nutrition are well-established fields, yet they're growing rapidly as more and more Americans come to understand the importance of diet and exercise.
- Q. Why do people become Fitness & Nutritional Specialists?**
A. Because they can make good money and have a skill that is in great demand...and stay fit and healthy themselves as a bonus!
- Q. Where do Fitness & Nutritional Specialists work?**
A. In health clubs, hospitals, rehabilitation centers, or they can set up their own businesses from home. The possibilities are endless!
- Q. Are there other advantages to this field?**
A. You can work part-time, start your own business, or take a full-time position—it's all up to you.
- Q. Do I need any previous education or experience?**
A. You must be able to read, write and understand directions.
- Q. What is the earnings range for a Fitness & Nutritional Specialist?**
A. Because salaries vary from one place to another, we suggest you inquire in your area. We think you'll be pleased with what you discover!
- Q. Who will I be working for?**
A. In most cases you will work directly for a club manager or a highly respected healthcare professional.
- Q. How much work is available?**
A. With thousands of new facilities opening each year, growth is outstanding!
- Q. How will I find work when I'm ready?**
A. U.S. Career Institute offers unlimited graduate career support. We show you how to contact employers and present your credentials. We also suggest you check with your state and local agencies regarding requirements to work as a fitness trainer prior to enrolling.
- Q. If I move, will I find work in other areas?**
A. Yes, there is a need for Certified Fitness & Nutritional Specialists wherever there are health clubs, spas, resorts and therapy centers.
- Q. What is the potential for advancement?**
A. As a specialist in fitness & nutrition, your earnings grow with your experience, and may also grow if you are promoted to a supervisory position.
- Q. Are there any extras I must buy?**
A. Everything you need to learn this profession is supplied with your course. You will need access to a DVD player.
- Q. Is U.S. Career Institute accredited?**
A. Yes. U.S. Career Institute is an Accredited Member of the Distance Education and Training Council. The Accrediting Commission of the Distance Education and Training Council is listed by the U.S. Department of Education as a nationally recognized accrediting agency for distance education. Because of this, our curriculum, faculty, administrative procedures and policies are reviewed on a regular basis to ensure that we continue to meet the DETC's exceptionally high standards of quality.
- Q. If I'm in the military, can I be reimbursed for my tuition?**
A. U.S. Career Institute is approved for GI-Bill, VA and MyCAA education benefits. Military personnel, veterans or veteran spouses may be eligible. In addition, USCI is affiliated with the Defense Activity of Non-Traditional Education Support, or DANTES program. Military personnel, including those on active duty or reserve, may be eligible for partial reimbursement of tuition upon graduation. For reimbursement information contact your VA or DANTES education officer prior to enrolling.
- Q. What other credentials does U.S. Career Institute have?**
A. U.S. Career Institute has been a state-approved school since it was established more than a quarter century ago. Since that time thousands of men and women have successfully graduated from our programs. If in the future you wish to transfer USCI credits, you should check with the receiving institution because requirements vary from place to place. U.S. Career Institute makes no representation regarding transferability of credits.
