*In as little as five months, you could be making great money from home!*

# > Be a Medical Coding & Billing Specialist!

## Discover why skilled Medical Coding & Billing Specialists are in-demand!

Healthcare is booming! It's no secret, healthcare providers need Medical Coding & Billing Specialists. In fact, the U.S. Department of Labor projects 9% growth from 2023 to 2033, for specialists doing coding and billing for medical offices/institutions.\*

Medical Coding Specialists are in such high demand because nearly every visit to the doctor requires properly coded documentation for the doctor to receive payment. Every insurer—from private companies to Medicare—has its own forms and unique coding requirements.

Medical Billing Specialists apply all of these special codes to the forms that insurance companies, Medicare and state medical aid plans require before they pay a claim.

Multiply this need across every doctor's office, hospital and health insurance claim in the country and you'll see why Medical Coding and Medical Billing Specialists are in such high demand.

## Experienced coders and billers earn so much because they are money machines for doctors!

Medical Coding & Billing Specialists are in demand—and their salary shows it. Experienced Coding & Billing Professionals can earn a median salary of \$50,250\*

With skill and experience you could earn a great income like top coders and billers do! And many of them work from home via the Internet. The best part is that anyone who can follow step-by-step directions can become a Medical Coding & Billing Specialist!

# We offer self-paced, online training for Medical Coding & Billing careers!

## Training with us is easy!

Imagine a class that always starts the second you're ready. One you don't have to travel to attend. A class that moves quickly through lessons you find easy and slows down on the topics you choose. Think of having an expert instructor standing by to answer your questions and cheer you along, just a phone call or email away. This is no dream. This is U.S. Career Institute!

## Set your own pace!

Go as quickly as you wish—graduate in as little as five months. Lessons are available as you need them. As you complete each assignment, send it to your instructor for grading. Then go on to the next lesson. No need to wait for the results of previous exams. And if you want to take time off for a vacation, your lessons wait until you return.

## Open-book exams take the pressure out of testing.

We don't try to test you on how much you can remember. We help you learn what you need to know and show you how to find the answers to what you don't know. We believe that open-book exams—just like those many colleges use—are the best way to find out how much you can accomplish in the real world.

## You learn it all!

- ✓ How the human body works... Master human anatomy and physiology
- ✓ How to speak the language... Explore medical terminology and pronunciations
- ✓ How coding impacts healthcare... Learn how medical procedures and diagnoses are coded
- ✓ How to work like a professional. Discover how coders and billers use coding software and the Internet to boost their productivity and earnings
- ✓ Everything you need to succeed!

## Q & A QUESTIONS AND ANSWERS

- Q. Will USCI reimburse me for the CBCS or CPC-A Certification exam?**
- A.** Yes. Upon graduation you will be eligible to sit for the CBCS certification exam through the National Healthcareer Association (NHA) or the CPC-A through the American Academy of Professional Coders. USCI will reimburse students for the exam when the following terms are met: student is graduated, has paid tuition in full and submits receipt issued by the NHA.
- Q. Are there other advantages?**
- A.** Yes. Security. People will always need doctors, and doctors will always need to submit properly coded records to be reimbursed for their services. Medical Billers then apply those codes to all the forms that insurance companies, Medicare and others need in order to pay a claim.
- Q. How do I find work after I graduate?**
- A.** Your program provides you with the skills you need to succeed, as well as strategies for finding openings for medical coders and billers. Plus, we offer career support for all of our graduates. That means that whenever you need help in your career, we'll be there for you!
- Q. Is U.S. Career Institute accredited?**
- A.** Yes! U.S. Career Institute is Accredited by the Distance Education Accrediting Commission. The Distance Education Accrediting Commission is listed by the U.S. Department of Education as a recognized accrediting agency. Because of this, our curriculum, faculty, procedures and policies are reviewed on a regular basis to ensure that we continue to meet the DEAC's exceptionally high standards of quality.
- Q. Will my credits transfer to other institutions?**
- A.** The acceptance of transfer of academic credits to another institution is determined by the receiving institution. Colleges/institutions individually establish criteria for transfer credit acceptance based on many factors, including but not limited to course content, final grade, credits per course, type of accreditation, age of credits, etc. U.S. Career Institute certificate courses may or may not transfer to other colleges and transferability depends solely on the receiving institution's criteria and determination. U.S. Career Institute does not imply or guarantee the transferability of credits from its courses.
- Q. If I'm in the military, can I be reimbursed for my tuition?**
- A.** U.S. Career Institute is approved for military education benefits. This includes the GI Bill®. Military personnel, veterans or veteran spouses may be eligible. U.S. Career Institute also accepts MyCAA funds for military spouse education assistance, certificate and associate degree programs must lead to a certification or license in order to be eligible for funding. For more information contact the Veteran's Administration or your military education office.
- Q. Will my employer reimburse me for my tuition?**
- A.** Some companies have tuition assistance programs. Students should check with their supervisor or personnel department for additional information.
