“Easily Five Stars...”

“I absolutely love my experience with U.S. Career Institute so far! The monthly payments are extremely affordable and they even set up my monthly payments to be due on a day that works for me. Everything is set at my own pace and I actually feel like I’m learning everything I need to know to start in the medical billing career.”

Kayla G.

In as little as four months, you could be making great money from home!

> Be a Medical Coding & Billing Specialist!

Discover why skilled Medical Coding and Billing Specialists are in-demand!

Healthcare is booming! It’s no secret, healthcare providers need Medical Coding and Billing Specialists. In fact, the U.S. Department of Labor projects 13.9% growth (much faster than average) from 2016 to 2026, for specialists doing coding and billing for medical offices/institutions.2

Medical Coding Specialists are in such high demand because nearly every visit to the doctor requires properly coded documentation for the doctor to receive payment. Every insurer—from private companies to Medicare—has its own forms and unique coding requirements.

Medical Billing Specialists apply all of these special codes to the forms that insurance companies, Medicare and state medical aid plans require before they pay a claim.

Multiply this need across every doctor’s office, hospital and health insurance claim in the country and you’ll see why Medical Coding and Medical Billing Specialists are in such high demand.

Experienced coders and billers earn so much because they are money machines for doctors!

Medical Coding & Billing Specialists are in demand—and their salary shows it. Experienced Coding & Billing Professionals can earn up to $38,000!

With skill and experience you could earn a great income like top coders and billers do! And many of them work from home via the Internet. The best part is that anyone who can follow step-by-step directions can become a Medical Coding & Billing Specialist!

Training that fits your life.

Our self-paced Medical Coding & Billing program will teach you everything you need to know to start working as a Medical Coding & Billing Specialist...even if you don’t have any previous medical coding and billing experience! And there’s no need to change your daily schedule. No need to take time from your family or job. There are no classes to attend and no schedules to keep. You will receive everything you need to succeed!

You study when it’s convenient. You set your own pace. Complete your lessons as quickly as you wish. You can be ready to work and start making money in as little as four months. You’re in a class of one—you!
Training with us is easy!

Imagine a class that always starts the second you’re ready. One you don’t have to travel to attend. A class that moves quickly through lessons you find easy and slows down on the topics you choose. Think of having an expert instructor standing by to answer your questions and cheer you along, just a phone call or email away. This is no dream. This is U.S. Career Institute!

Set your own pace!

Go as quickly as you wish—graduate in as little as four months. Lessons are available as you need them. As you complete each assignment, send it to your instructor for grading. Then go on to the next lesson. No need to wait for the results of previous exams. And if you want to take time off for a vacation, your lessons wait until you return.

Open-book exams take the pressure out of testing.

We don’t try to test you on how much you can remember. We help you learn what you need to know and show you how to find the answers to what you don’t know. We believe that open-book exams—just like those many colleges use—are the best way to find out how much you can accomplish in the real world.

You learn it all!

- How the human body works… Master human anatomy and physiology
- How to speak the language… Explore medical terminology and pronunciations
- How coding impacts healthcare… Learn how medical procedures and diagnoses are coded
- How to work like a professional. Discover how coders and billers use coding software and the Internet to boost their productivity and earnings
- Everything you need to succeed!

Whenever you have a question, send us an email or call us toll-free for quick answers!

Your instructors are an email or phone call away! Just email us or call the toll-free number we send you as soon as you enroll. Our staff of instructors is on duty year-round to answer all your questions.

Work full-time or part-time...

More money! More fun!

Land a career you can bank on...

You can earn over $25,000 your first full year—even up to $38,000! And as you build your confidence and experience, you can start to make the kind of money our outstanding graduates earn!

It’s true—some Medical Coding & Billing Specialists earn more with experience! They were once in the position you’re in today, though. They’ve gotten where they are through training, experience and hard work. But just because you don’t have a lot of experience yet doesn’t mean there’s no money to be made.

“U.S. Career is a great school. The programs are for any age. I have learned so much. I am an older adult and you can go at your own pace. No stress. I am taking two programs. Try it, you will learn so much.”

Judy

We want you to have all the facts!

Our salary and employment figures are compiled from information published by the U.S. Department of Labor. Individual student earnings can vary depending on many factors such as the amount of experience you have, whether you work full-time or part-time, and where you work.

Work at home or in an office!

And if you get the opportunity to work at home...

Be home with your family!

- Be there for your family when they need you
- Set your own schedule
- Work when and where you choose
- Enjoy special tax-break opportunities
- Save money on day care, transportation, eating lunches out and keeping up an office wardrobe

Be part of the Medical World...work at home or in a medical office!
Q. Why do people become Medical Coding & Billing Specialists?
A. Because they can make good money and have skills that are in great demand...working at home or in a medical office.

Q. Do all Medical Coding & Billing Specialists work at home?
A. No. There are many jobs in offices, clinics and hospitals. However, home billing & coding is an exciting, rising trend.

Q. Are there other advantages?
A. Yes. Security. People will always need doctors, and doctors will always need to submit properly coded records to be reimbursed for their services. Medical Billers then apply those codes to all the forms that insurance companies, Medicare and others need in order to pay a claim.

Q. Is Medical Coding and Billing easy to learn?
A. Yes. Our step-by-step instruction will show you how.

Q. How do I find work after I graduate?
A. Your program provides you with the skills you need to succeed, as well as strategies for finding openings for medical coders & billers. Plus, we offer career support for all of our graduates. That means that whenever you need help in your career, we’ll be there for you!

Q. Is U.S. Career Institute accredited?
A. Yes! U.S. Career Institute is Accredited by the Distance Education Accrediting Commission. The Distance Education Accrediting Commission is listed by the U.S. Department of Education as a recognized accrediting agency for distance learning schools. Because of this, our curriculum, faculty, procedures and policies are reviewed on a regular basis to ensure that we continue to meet the DEAC’s exceptionally high standards of quality.

Q. Will my credits transfer to other institutions?
A. The acceptance of transfer of academic credits to another institution is determined by the receiving institution. Colleges/institutions individually establish criteria for transfer credit acceptance based on many factors, including but not limited to course content, final grade, credits per course, type of accreditation, age of credits, etc. U.S. Career Institute certificate courses may or may not transfer to other colleges and transferability depends solely on the receiving institution’s criteria and determination. U.S. Career Institute does not imply or guarantee the transferability of credits from its courses.

Q. If I’m in the military, can I be reimbursed for my tuition?
A. U.S. Career Institute is approved for military education benefits. This includes the GI Bill. Military personnel, veterans or veteran spouses may be eligible. U.S. Career Institute also accepts MyCAA funds for military spouse education assistance. For more information contact the Veteran’s Administration or your military education office.

Q. Will my employer reimburse me for my tuition?
A. Some companies have tuition assistance programs. Students should check with their supervisor or personnel department for additional information.
