\$50,250\***

Be a **Medical Coding  
Specialist!**

**Great Career...Great Future...and it's so easy to start!**

—Here's everything you need to know...

*In as little as four months, you could be making great money from home!*

## > Be a Medical Coding Specialist!

### As a Medical Coding Specialist, you will be a vital part of the medical team!

Healthcare is growing at a higher rate than most industries. It's no secret, medical providers need Medical Coding Specialists. In fact, the U.S. Bureau of Labor projects 9% growth from 2023 to 2033, for specialists doing medical coding for medical offices and facilities.\*

Coders are a vital part of the team of health information technicians. They work to keep physicians, patients, hospitals and insurance programs connected.

Medical Coding Specialists are in such high demand because nearly every visit to the doctor requires properly coded documentation for the doctor to receive payment. Every insurer—from private companies to Medicare—has its own forms and unique coding requirements.

Multiply this need across every doctor's office, hospital and health insurance claim in the country and you'll see why Medical Coding Specialists are in-demand

### With skill and experience you could earn a good income like top coders do!

Medical Coding Specialists are in demand—and their salary shows it. With skill and experience you could earn a good living like top coders do! And many coders work from home via the internet. The best part is that anyone who can follow step-by-step directions can become a Medical Coding Specialist!

### Training that fits your life.

Our online Medical Coding program will teach you everything you need to know to start working as a Medical Coding Specialist...even if you don't have any previous medical experience!

Our online, self-paced training means there's no need to change your daily schedule. No need to take time from your family or job. There are no classes to attend and no schedules to keep. You will receive everything you need to succeed!

You study when it's convenient – when and where you want. You set your own pace. Complete your lessons as quickly as you wish. You can be ready to start working and making money in as little as four months. You're in a class of one—you!

#### ***"...very user friendly"***

"I have to say, registering was extremely easy, automatic payments give me one less thing to worry about keeping up with, and the website is very user friendly... I can easily see myself going back for other courses throughout my career and growing my knowledge. Additionally, the military discount (25%) was a huge plus!"

**D.C.W.**

## Experts guide you step by step

Your online, self-paced Medical Coding program was designed by experienced educators and industry professionals to give you all the skills you need to land this exciting job in as little as four months. Everything is explained in easy-to-understand language. Numerous examples show you exactly what to do and how to do it.

Nothing is left to chance! As you finish each lesson, you're ready for the next. No previous medical, insurance or business knowledge needed. And when you finish your program, you'll be ready to work!

Be a vital part of the medical care team. Join the many men and women working in the healthcare industry to keep their families, friends and neighbors healthy and happy. Being a Medical Coding Specialist benefits you and your community, too!

# We offer self-paced, online training for Medical Coding careers!

## Training with us is easy!

Imagine a class that always starts the second you're ready. One you don't have to travel to attend. A class that moves quickly through lessons you find easy and slows down on the topics you choose. Think of having an expert instructor standing by to answer your questions and cheer you along, just a phone call or email away. This is no dream. This is U.S. Career Institute!

### Set your own pace!

Go as quickly as you wish, be ready to graduate in as little as four months. Lessons are available as you need them. As you complete each assignment, send it to your instructor for grading. Then go on to the next lesson. No need to wait for the results of previous exams. And if you want to take time off for a vacation, your lessons wait until you return.

### Open-book exams take the pressure out of testing.

We don't try to test you on how much you can remember. We help you learn what you need to know and show you how to find the answers to what you don't know. We believe that open-book exams—just like those many colleges use—are the best way to find out how much you can accomplish in the real world.

## You learn it all!

- ✓ How the human body works... Master human anatomy and physiology
- ✓ How to speak the language... Explore medical terminology and pronunciations
- ✓ How coding impacts healthcare... Learn how medical procedures and diagnoses are coded
- ✓ How to work like a professional. Discover how coders use coding software and the Internet to boost their productivity and earnings
- ✓ Everything you need to succeed!

**Whenever you have a question, send us an email or call us toll-free for quick answers!**

Your instructors are an email or phone call away! Just email us or call the toll-free number we send you as soon as you enroll. Our staff of instructors is on duty year-round to answer all your questions.

**CPC-A Certification Exam Included in your Tuition.**

**Build Employer Confidence—Get Certified!**

**We cover the cost of the (CPC-A) certification exam.†**

†Provided in form of reimbursement when the following terms are met: Student submits receipt issued by AAPC, has successfully completed the course and paid tuition in full. Reimbursement is for up to \$399 towards the cost of the CPC-A Exam. In order to sit for the exam you will need to become a member of the AAPC.

#### • **No classes to attend...no schedules to keep!**

Talk about flexibility! Our online program couldn't offer you more. No classes, no rigid schedules, no commute, no interruptions in your regular activities and commitments. Courses are self-paced so you study when and where you want. What's better than that?

#### • **Opportunity! Great Income! Rewarding Career!**

A career as a Medical Assistant offers you the opportunity to earn a good income! Work with doctors, nurses and physician assistants in small and large medical organizations including government, educational, nursing care and outpatient facilities. As you become more experienced, you may be assigned more duties such as administering basic medical tests and medications, explaining care instructions or drawing blood — there is never a dull moment for a Medical Assistant!

#### • **DEAC Accredited.**

We are accredited by the Distance Education Accrediting Commission (DEAC). DEAC is listed by the U.S. Department of Education as a recognized accrediting agency.

#### • **Career Support. A U.S. Career Institute exclusive!**

Once you graduate, you will be entitled to career support throughout your career.

## We want you to have all the facts!

Our salary and employment figures are compiled from information published by the U.S. Department of Labor. Individual student earnings can vary depending on many factors such as the amount of experience you have, whether you work full-time or part-time, and where you work.

*Be part of the Medical World...work at home or in a medical office!*

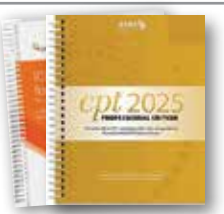

**Compare the training, the job  
and the money you can make!**

**You'll be way  
ahead as a  
Medical Coding  
Specialist!**

**No classes to attend! Online and self-paced!**

Included in your tuition, you'll receive a CPT Manual and an ICD-10-CM Manual. Both are yours to keep and use in your career!

The Career Starter Guide will give you step-by-step guidance in getting your first job. Learn how to create a great résumé, write a letter of inquiry and how to perfect your interview skills.

*We reserve the right to substitute items of equal or greater value when it becomes necessary.*

## Career Coach program

## Q & A QUESTIONS AND ANSWERS

- Q. Will USCI reimburse me for the CPC-A Certification exam?**  
A. Yes. Upon graduation you will be eligible to sit for the CPC-A certification exam through the American Academy of Professional Coders (AAPC). USCI will reimburse students for the exam when the following terms are met: student is graduated, has paid tuition in full and submits receipt issued by the AAPC. Up to \$399 value.
- Q. Why do people become Medical Coding Specialists?**  
A. Because they can make good money and have skills that are in demand...working at home or in a medical office.
- Q. Do all Medical Coding Specialists work at home?**  
A. No. There are many jobs in offices, clinics and hospitals. However, many take advantage of the work at home option.
- Q. What will I study?**  
A. Your program covers everything you need to know to work as a Medical Coding Specialist. You'll gain both coding skills as well as an understanding of the greater healthcare industry.
- Q. How do I find work after I graduate?**  
A. Your program provides you with the skills you need to succeed, as well as strategies for finding openings for medical coders. Plus, we offer career support for all of our graduates. That means that whenever you need help in your career, we'll be there for you!
- Q. Is U.S. Career Institute accredited?**  
A. Yes! U.S. Career Institute is accredited by the Distance Education Accrediting Commission. The Distance Education Accrediting Commission is listed by the U.S. Department of Education as a recognized accrediting agency. Because of this, our curriculum, faculty, procedures and policies are reviewed on a regular basis to ensure that we continue to meet the DEAC's exceptionally high standards of quality.
- Q. Will my credits transfer to other institutions?**  
A. The acceptance of transfer of academic credits to another institution is determined by the receiving institution. Colleges/institutions individually establish criteria for transfer credit acceptance based on many factors, including but not limited to course content, final grade, credits per course, type of accreditation, age of credits, etc. U.S. Career Institute certificate courses may or may not transfer to other colleges and transferability depends solely on the receiving institution's criteria and determination. U.S. Career Institute does not imply or guarantee the transferability of credits from its courses.
- Q. If I'm in the military, can I be reimbursed for my tuition?**  
A. U.S. Career Institute is approved for military education benefits. This includes the GI Bill®. Military personnel, veterans or veteran spouses may be eligible. U.S. Career Institute also accepts MyCAA funds for military spouse education assistance, certificate and associate degree programs must lead to a certification or license in order to be eligible for funding. For more information contact the Veteran's Administration or your military education office.
- Q. Will my employer reimburse me for my tuition?**  
A. Some companies have tuition assistance programs. Students should check with their supervisor or personnel department for additional information.
