Training with us is easy!

Imagine a class that always starts the second you’re ready. One you don’t have to travel to attend. A class that moves quickly through lessons you find easy and slows down on the topics you choose. Think of having an expert instructor standing by to answer your questions and cheer you along, just a phone call or email away. This is no dream. This is U.S. Career Institute!

Set your own pace!

Go as quickly as you wish, graduate in as little as four months. Lessons are available as you need them. As you complete each assignment, send it to your instructor for grading. Then go on to the next lesson. No need to wait for the results of previous exams. And if you want to take time off for a vacation, your lessons wait until you return.

Open-book exams take the pressure out of testing.

We don’t try to test you on how much you can remember. We help you learn what you need to know and show you how to find the answers to what you don’t know. We believe that open-book exams—just like those many colleges use—are the best way to find out how much you can accomplish in the real world.
